Dear Rev. Wang:

As per conversation over the phone; have set aside a part of the park for you and your church and congregation. There will be no cover charge for the grounds.

Wish you would call your Church's attention to the fact that we have a fine Cafe and Hotel, run by one of the finest staff of help in the mountains, and their rates are reasonable and we have a fine string of horses, a fine garage in addition to the grounds and store.

Can assure you a fine time on the 30th, so will be glad to have you as our guests.

Respectfully Yours,

J. Russell
